

LEI direct

LEI application

Register. Apply. Done.

The [LEI application](#) is just as easy as the registration. You need to be registered and logged in to be able to complete the application.

You will receive your LEI code that easily and quickly on our online portal

Apply for an LEI for companies, funds, legal entities

Apply for one or more LEIs, as required, or transfer your existing LEIs to GS1. Simply select the appropriate menu item.

An LEI

Several LEIs

Forms for applying for an LEI

Please make a selection:

[Application for a company](#)

[Application for a fund](#)

[Application for legal entities under public law](#)

1. Choose the single application option (company, fund or legal entity).
2. Fill in all fields of the application form.
3. Check your information.
4. Submit the application.

The LEI will be submitted after your data are verified – and before payment is completed.

The successful registration and authentication of your setup are required to be able to apply for an LEI.

Note: We offer a simple and fast way to file a [collective application](#) for a minimum amount of 10 LEIs.
