Prior to the expiry of the one-year term, you will automatically be notified by us. If you wish to use your LEI for longer, you can then request a renewal in your user account.

Login to your user account and click on LEI services.

Step 2:

Select the Manage LEI option.

Step 3:

Select the detailed view of an LEI by clicking on the pen at the left border in the overview.

Step 4:

Select the Renew option in the upper right corner of the detailed view.

Step 5:

Order the renewal in the lower left corner.

Step 6:

You will receive a confirmation for sending the renewal order by E-mail. Follow the link in the E-mail to submit a final confirmation of your renewal.

Step 7:

After all data are reviewed and your LEI was successfully renewed for another year, we will send you another confirmation by E-mail.
